

## FIA European Autocross Championship – Saint Igny de Vers

Round 6 (France) - 17-18-19 September 2021

### Release from the Organisation

Applicable sanitary protocol for the Autocross in Saint Igny de Vers on 17-18 & 19 September 2021.

In accordance with the various decrees and according to informations from the Rhône Prefecture, this sporting event will only be attended by holders of a sanitary pass, which may include three types of non-cumulative proof:

**1. Vaccination, provided that people have a complete vaccination schedule and the necessary time after the final injection,** that is to say:

- 7 days after the 2nd injection for double injection vaccines (Pfizer, Moderna, AstraZeneca) ;
- 28 days after the injection for vaccines with a single injection (Johnson & Johnson);
- 7 days after injection for vaccines in people with a background of Covid (1 injection only).

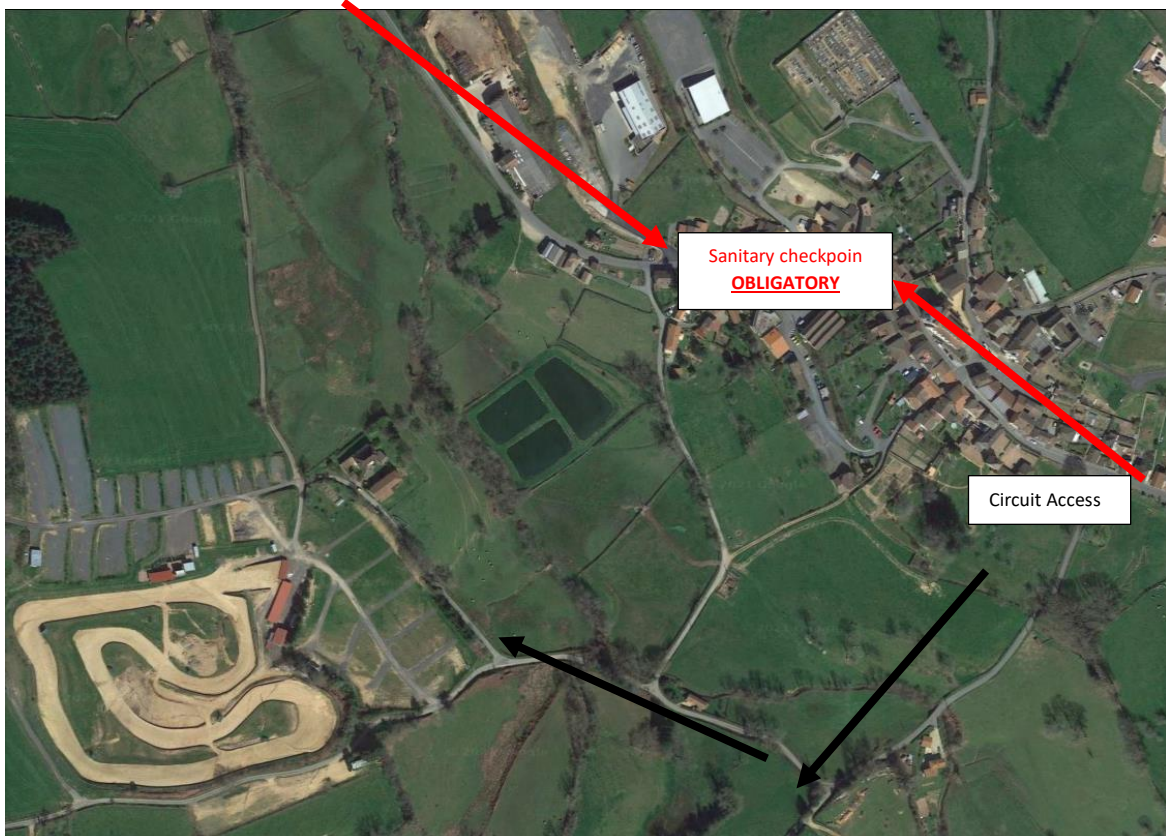

**2. Proof of a negative test less than 72 hours old (RT-PCR / antigenic / self-tests)**

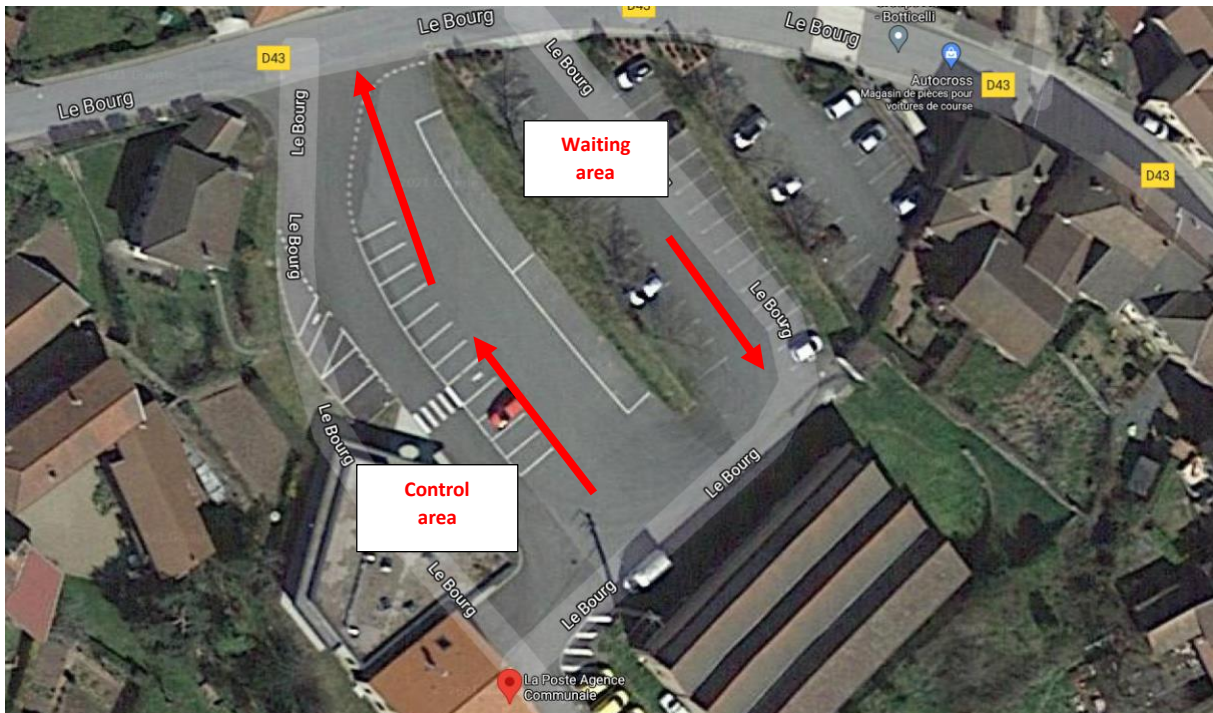

**3. A positive RT-PCR or antigenic test result, attesting to the recovery of Covid-19, at least 11 days old and less than 6 months old.**

The EU Digital COVID Certificate can be presented in digital form (via the "TousAnti-Covid" application or any other digital medium of the person's choice) or in paper form.

People with a EU Digital COVID Certificate will be provided with wristbands to place on their wrists.

Access to the site will only be granted to the holder of this wristbands given by the organisation. This wristband will only be given at the sanitary checkpoint located: Place de la Poste - 69790 Saint Igny de Vers - GPS : 46.14'27N / 4.26'06E
